

Photography Information

2023 Oregon Cancer Ski Out

Thank you for participating in the 2023 Oregon Cancer Ski Out. This is my 21st year of photographing this inspiring event. The changes I made last year in my photography program will continue this year. As in 2022, your participation in the event includes team and action photos for all skiers/snowboarders competing in the race.

Here is how the photo program works:

As in the past, I will take team photos at the bottom of the courses during the first run on the 1st event day, Sunday, March 12, 2023. I will then take action photos of all racers in the second run on that day. After the event concludes, I will edit the photos and post them to my Google Drive where each team leader will be invited to access them. The high-resolution digital photos that will be available to the team leader will include the team photo (with an overlay of the event, year, and team name) and 2 action photos of each racer (my selection). These photos are released for personal uses by the team members and may also be used by the team sponsors for promotion use. Also, all photos will be posted to my website for review. The link is: **brianrobbphoto.com/2023-events/2023-oregon-cancer-ski-out** The link is also accessible from my home page (brianrobbphoto.com) under 2023 events. Additional photos other than the ones I provide to the team leader are available for purchase for \$10 each. To purchase additional photos, I just need to receive an email with the photo numbers and a PayPal, Venmo, or Apple Pay payment for \$10 per image purchased. You may also send me a check. There is a link on my homepage with payment information.

Please send me an email with any questions you have or contact me in person at the mountain.

Thanks and see you at Mt Hood Meadows on March 12th!

Brian Robb
